

Shot O' love

Babylon A.D.

You turn me down, send me home again
Every time I come over, we never reach the end
The passion burns thru the pale moonlight
You take me up but then you push me down the slide
You like the drama, the mystery game
But temptation's written right on your face

Hold me, show me
Feel the fire in my eyes, now, baby
Rock me, roll me
I need a lover tonight

I need a shot
Shot o' love, baby
Give me a shot
Shot o' your love
I need a shot
Shot o' love, baby
Give me a shot
Shot o' your love

This time I'll make my play, it's getting hard to wait
This time I won't let go and you won't say no
We ride the rivers to your virgin sea
We'll be the shadows dancing across your dreams
I'll take you down thru your soul's desire
You can't stop me 'cause you're mine tonight
Tonight, tonight

Hold me, show me
Put yourself on the line, now, baby
Rock me, roll me
I need a lover tonight

I need a shot
Shot o' love, baby
Give me a shot
Shot o' your love
I need a shot
Shot o' love, baby
Give me a shot
Shot o' your love

Hold me, show me
Feel the fire in my eyes, now baby
Rock me, roll me
I need a lover tonight

I need a shot
(Shot)
Give me a shot
(Shot)
Baby, I want a shot
(Shot)
Won't you give me a shot
Shot o' your love

I need a shot
(Shot)
Oh, baby, give me a shot
Shot o' your love
I need a shot
Shot o' love, baby
Give me a shot
Shot o' your love

Give me a shot
