

Sweet temptation

Babylon A.D.

Ooh ooh ooh such a lady
I'm gonna take her home yeah
Gonna make you come yeah yeah

She looked like seventeen
She walked just like a dream
And when she spoke she set my heart on fire

My palms began to sweat
She seemed like heaven sent
And in that moment she was my desire

It's automatic, my brain goes static
She's a love toy set in motion
I'd seen her face before, looks like some movie star
She said, "Honey, I know what ya want."

She's a sweet, sweet
Animal temptation!
She's a sweet, sweet
Heartbreak fascination!

I fell into her trap
I gave the perfect rap
I dove in blind and soon I told her that I loved her

I bought her everything
Mink furs and diamond rings
I gave her plenty, all that one man could offer

She found her victim
And to my surprise
I fell into that great big ocean of her lies

Now I sit in pain and teardrops
Thinking of a way that I can break this habit

It's automatic, my brain goes static
She's a love toy set in motion
She's such a lover, she's like no other
She says, "Honey, I know what you want."

Yeah yeah

She's a sweet, sweet
Animal temptation!
She's a sweet, sweet
Heartbreak fascination!

You're such fun, yeah
Dirty girl, dirty girl
Took my heart, took it away
Fascination!

She's a sweet, sweet
Animal temptation!
She's a sweet, sweet

Heartbreak fascination!

Sweet temptation!

She's a fascination!

She's a sweet temptation, yeah yeah yeah

Sweet temptation!

She's a fascination!

Temptation!
