

Bangs in a cutie style  
If it's really straight it'll look super cool  
Today's lipstick will be... that? This? That? Which? Which? Wait,  
watch? What time is it?

Meet, meet, let's meet after school Party Time  
It's the girl's club, so we talk nasty girl's talk  
Today's VIP is there? Here? Which? Which? Wait, watch? What time is it?

I don't like pretending not to know  
I want to see the world I don't know  
4D, 5D, I can't wait!  
I want to grow by 10%!  
Ok?

Ring, ring, ring, good morning, wake up  
Please, wait a little, wait a little  
Ring, ring, ring, don't rush, hurry up  
A very hectic morning

Ring, ring, ring, don't rush, do your makeup  
Please wait a little, wait a little  
Ring, ring, ring, today a better version  
An exciting morning

Without makeup, wearing glasses as a hairpin, what a funny face  
.  
But wait 3 seconds I'll transform, quick quick!  
Today's RAP is there? Here? There? Which? Which? Wait, watch? What time is it?
