

Penguins

Babysambles

I wanted to thank you,
so that's what I'll do
Thank you, just being you,
for being born,
being born, for being you

Saturday night turned into,
to Sunday morning
Just like it's supposed to
Everybody's gone,
it's just me and you
Do what you like, go to the zoo

We could see monkeys,
we could see snakes
We could see penguins,
penguins are great!

Step outside while he's raising some hell
He can play a guitar
just like he's ringing a bell
Go go

I really don't like your boyfriend's face
And I am going to try and take his place
I really don't like your boyfriend's face
And I am going to try and take his place

Nobody's asking who you think that you are
Cause when the heebies met the jeebies
It was hurrah
It was hurrah

I wanted to thank you,
thank you for the cue
For the cue
Thank you for the cue to sigh and silently go
