

Sedative
Sedative
Was my hero
Oh, it was

What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now?

Take me by the hand now
It's been a long, long time since I've step outside
To the morning sun

Sedative
Sedative
Was my hero
And I had a hit

...

Sedative
It was my hero
And I had a hit on it

What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out now?

And I crawl along now
It's been a long, long time since I've step outside
To the morning sun

My faith in you
...
Yes, I got faith in you

What's it really like now
It's been a long, long time since I've step outside
To the morning sun now
Would you take me out?

And I crawl along now
It's been a long, long time since I've step outside
To the morning sun

My faith in you
Faith in you
My faith in you
