Carino  
Fuerte carino  
Carino  
Fuerte carino

I'll miss your smile  
Your loving eyes.  
The way you look at me  
Just make me realize  
Now that you wave  
Your last goodbye  
Deep in my heart I feel  
Our love will never die.

I call your name  
But you're walking away.  
Carino to make you stay  
With me forever and ever.

Carino  
How am I to carry on,  
How can I hold on so long?  
Fuerte carino  
Stay with me oh carino  
To let me my summer love.  
I pray to the skies above  
Carino

Carino  
Fuerte carino  
Carino

Through sleepless nights  
I'll think of you.  
I know I'll never find  
Another love so true.

I call your name  
But you're walking away.  
Carino to make you stay  
With me forever and ever.
