

Darling

Baccara

Postcards from Amsterdam
Phone cards from Birmingham
To tell me only how you miss me
We received your telegram
Now you say here I am
Only when you hold and kiss me

Ahhhhh - Darling, Darling, Darling
Leave a little love for later on
Darling, Darling, Darling
So that you can come back when you've gone
I idolise your magic eyes
And I imagine all the Koochie
We can do, we can do
Oh - Darling, Darling, Darling
Leave a little secret on the sure
Darling, Darling, Darling
So that you can come back again for more
My fantasy once fancy free
And I imagine all the Koochie
We can do, we can do ooooo

It's been a long long time
And you and me will climb
The mountains and the hills of passion
So of certain skill to skill
Oh what and would I mean
Re-reach my love and regretion

Ahhhhh - Darling, Darling, Darling
Leave a little love for later on
Darling, Darling, Darling
So that you can come back when you've gone
I idolise your magic eyes
And I imagine all the Koochie
We can do, we can do
Oh - Darling, Darling, Darling
Leave a little secret on the sure
Darling, Darling, Darling
So that you can come back again for more
My fantasy once fancy free
And I imagine all the Koochie
We can do, we can do ooooo
