

Light my fire

Baccara

Baby why don't you reach out?
Why don't you maybe reach out for love?
Oh lover baby why don't you reach out
Why don't you maybe reach out for love

Oh lover baby why don't you reach out?
Why don't you maybe reach out for love?
Oh lover baby why don't you reach out
Why don't you maybe reach out for love
Reach out for me

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Oh we couldn't get much higher

Come on baby light my fire
Come on baby light my fire
Try to set the night on fire

No time to hesitate this through
No time to
Try now and we can only loose
And our life becomes fuel and fire

Come on baby light my fire
Come on baby light my fire
Try to set the night on fire

Baby why don't you reach out?
Why don't you maybe reach out for love?
Oh lover baby why don't you reach out
Why don't you maybe reach out for love

Oh lover baby why don't you reach out?
Why don't you maybe reach out for love?
Reach out for me

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Oh we couldn't get much higher

Come on baby light my fire
Come on baby light my fire
Try to set the night on fire

No time to hesitate this through
No time to
Try now and we can only loose
And our life becomes fuel and fire

Come on baby light my fire
Come on baby light my fire
Try to set the night on fire
