

# Light my fire

Baccara

Baby why don't you reach out?  
Why don't you maybe reach out for love?  
Oh lover baby why don't you reach out  
Why don't you maybe reach out for love

Oh lover baby why don't you reach out?  
Why don't you maybe reach out for love?  
Oh lover baby why don't you reach out  
Why don't you maybe reach out for love  
Reach out for me

You know that it would be untrue  
You know that I would be a liar  
If I was to say to you  
Oh we couldn't get much higher

Come on baby light my fire  
Come on baby light my fire  
Try to set the night on fire

No time to hesitate this through  
No time to  
Try now and we can only loose  
And our life becomes fuel and fire

Come on baby light my fire  
Come on baby light my fire  
Try to set the night on fire

Baby why don't you reach out?  
Why don't you maybe reach out for love?  
Oh lover baby why don't you reach out  
Why don't you maybe reach out for love

Oh lover baby why don't you reach out?  
Why don't you maybe reach out for love?  
Reach out for me

You know that it would be untrue  
You know that I would be a liar  
If I was to say to you  
Oh we couldn't get much higher

Come on baby light my fire  
Come on baby light my fire  
Try to set the night on fire

No time to hesitate this through  
No time to  
Try now and we can only loose  
And our life becomes fuel and fire

Come on baby light my fire  
Come on baby light my fire  
Try to set the night on fire
