

# Blown Away

## Bachelor Girl

Turn out the lights, see what I've been seein'  
This is the love I have not been feelin'  
A chill in the bone as it begins to change  
Don't look at me 'cos things are not the same, yeah

You know I am I am  
And I will be closer to you  
Than you to anyone  
You know I cannot see  
The earth, the sun  
For all the damage we have done

Ooh, ooh, so tired of playin' in the water  
Ooh, ooh, don't wanna be your saint, your martyr  
So sorry, babe, so sorry, baby, it's my mistake  
The years have blown away, blown away

Hold down the dog I'm here to raise this ceiling  
This is the love I cannot believe in, yeah  
A quarter to four and it begins to tell  
Don't talk to me 'cos nothing's gonna sell, yeah

You know I am I am  
And I will be closer to you  
Than you to anyone  
You're so full of conceit  
You beg to be undone  
You torment just for fun

Ooh, ooh, so tired of playin' in the water  
Ooh, ooh, don't wanna be your saint, your daughter  
So sorry, babe, so sorry, baby, it's my mistake  
The years, the years have blown away, blown away  
Oh, oh, oh

You know I am I am  
And I will be closer to you  
Than you to anyone  
You know I cannot see, baby  
The earth, the sun  
For all the damage we have done

Ooh, ooh, so tired of playin' in the water  
Ooh, ooh, don't wanna be your saint, your martyr  
So sorry, babe, so sorry, baby, it's my mistake  
The years have blown away

I'm so tired, so tired of playin' in the water  
I can't be, don't wanna be your saint, your martyr  
So sorry babe, so sorry babe, so sorry  
The years have blown away

So tired of playin' in the water  
Don't wanna be your saint, your daughter  
So sorry, baby, it's my mistake  
Ooh, the years have blown away, blown away  
They're blown away
