

I Don't Believe You

Bachelor Girl

I, I don't believe you
Something about you just don't add up
I, I don't believe you
And I just can't see you staying true to me
I don't mean to say that you've been lying
But don't you think it's just a matter of time
You want me to be your only one
No but I, I don't believe you
Watcha gonna do to win me over?
Watcha gonna do to prove me wrong?
How can I deny all the talk about you?
When I hear the things you do...
Listen to me I'm saying
I, I don't believe you
Something about you just don't add up
No I, I don't believe you
And I just can't see you staying true to me
No cause I, I don't believe you
Don't believe you, I don't believe you
All I need to see is your devotion
And all I need to feel is your emotion
But how can I trust all your promises to me
When you ain't the man you seem to be...
Listen to me I'm saying
I, I don't believe you
Something about you just don't add up
No I, I don't believe you
And I just can't see you staying true to me
No cause I, I don't believe you
Don't believe you
Something about you just don't add up
No I, I don't believe you
And I just can't see you staying true to me
Hey! I don't believe you
Nothing about you I can't give up
No no no I, I don't believe you
And I just won't see you if you lie to me
Cause I don't believe you
I've heard about you and I've had enough
I, I don't believe you
And I just won't see you if you lie to me
