

# Average Man

Bachman-Turner Overdrive

They say I make too much money, to fit in my pocket  
Everyone wants to but no one can top it  
I meet more people in a week on the line  
Than one man can dream of in his whole lifetime

Can you understand, I'm an average man  
Tryin' to make a livin' do the best that I can  
Can you understand, I'm an average man  
But my name is in lights, lights, lights

They stop and stare at our houses and farms  
They settled for less, we reached for the stars  
They're wishin' not workin' and that's not the way  
For what comes too easy is thrown away

Can you understand, I'm an average man  
Tryin' to make a livin' do the best that I can  
Can you understand, I'm an average man  
But my name is in lights, lights, lights

We got the future to win, nothing to lose  
What's done is behind us, we live how we choose  
Everyone's different, but one thing's the same  
You can't be a winner if you don't play the game

Can you understand, I'm an average man  
Tryin' to make a livin' do the best that I can  
Can you understand, I'm an average man  
But my name is in lights
