

## Blue Moanin'

Bachman-Turner Overdrive

Blue moanin', you're down so blue  
You do your livin'  
And it's what you do  
Did you listen to what your daddy say  
Or did you find it boring  
And just drift away

Blue blue moanin'  
It's on it's way to you  
Blue blue moanin'  
It's really comin' through  
You're always right  
Til the payment's due  
It's due, now you're blue

You go down dancin'  
To what they call the grind  
You do some relaxin'  
Now that you've done your time

When you've done your time  
And you think you're through  
You find them on your doorstep  
Now it's time to move

Blue blue moanin'  
It's on it's way to you  
Blue blue moanin'  
It's really comin' through  
You're always right  
Til the payment's due  
It's due, now you're blue

Blue blue moanin'  
It's on it's way to you  
You know it's comin'  
Blue blue moanin'  
It's really comin' through  
You're know you're right  
Til the payment's due  
Now it's due, I find you blue
