Don't Get Yourself In Trouble

Bachman-Turner Overdrive

Everybody's been standing around like they're ready
Everybody's been going around carrying signs

Come on and get a few things back together
And don't get lost in the stormy weather
Or when you're flying like birds of a feather

Don't get yourself in trouble
Don't get yourself in trouble
Don't get yourself in trouble
Don't get yourself in trouble
 (Here comes trouble now)

Everybody's been standing around like they're ready
Everybody's been going around carrying signs

Just keep on dancing to the music
It's the only way you're gonna use it
And when you shake your money maker

Don't get yourself in trouble
Don't get yourself in trouble
Don't get yourself in trouble
Don't get yourself in trouble

Everybody's been standing around like they're ready
Everybody's been going around carrying signs

Come on and get a few things back together
Don't get lost in the stormy weather
And when you're flying around like birds of a feather

Don't get yourself in trouble
Don't get yourself in trouble

Don't get yourself in trouble ...
