

# Heartaches

Bachman-Turner Overdrive

Look at me, I was just a man who was lonely  
Had some time on my hands  
The world's greatest plans in my jeans  
I saw you, you came to me like you knew me  
I don't think you knew that it threw me  
I didn't know what to say to you then  
I knew it would end up in

Heartaches  
Visions of loving you and  
Heartaches  
Wishing we hadn't met for my sake  
Seeing you here, is all I can stand

Every night I stand on the street where you left me  
Standing in with the crowd  
Trying not to look like I'm hangin' around  
There you are, I see you once more and you're lovely  
I try to tell myself, I'm not hungry  
But every time you sway I get carried away  
I need you more every day and my

Heartaches  
Visions of loving you and  
Heartaches  
Wishing we hadn't met for my sake  
Seeing you here, is all I can stand

I'm only a man who has heartaches  
Deep burning pain as my heart breaks  
Watchin' you walk sets my soul aflame  
I could put the blame on the world's oldest game

I know the ways, I know that to pay won't relieve me  
Cause it's not from the heart  
It's only the act not the flame  
I only wait and hope for the love that you're holding  
Deep down inside you've been holdin' for that special time  
But I don't see a sign, it's just not your mind  
And my

Heartaches  
Visions of loving you and  
Heartaches  
Wishing we hadn't met for my sake  
Seeing you here, is all I can stand  
I'm only a man who has heartaches  
Deep burning pain as my heart breaks  
Watchin' you walk sets my soul aflame  
I could put the blame on the world's oldest game

Heartaches yeah yeah  
Heartaches, heartaches  
Let me tell you about my

Heartaches, heartaches, heartaches  
Let me tell you about my

Heartaches, heartaches, oh
