

Hey You

Bachman-Turner Overdrive

Hey you, you say you wanna change the world
It's alright, with me there's no regret
It's my turn, the circle game has brought me here
And I won't let down 'till every song is set

You realize now
You should have tried now, oooh
The music's gone now
You lost it somehow
Hey you, sha lalala
Hey you, sha lalala
Wooo, sha la la
Wooo, sha la la

Hey you, you say the race is much too fast
It's okay, with me I'm keeping pace
It's my game, the music is inside my head
For every one on top there's one who can't retrace

You realize now
You should have tried now, oooh ooh
The music's gone now, you'll find out
You lost it somehow
Hey you, sha lalala
Hey you, sha lalala
Wooo, sha la la la
Wooo, sha la la la

You realize now oooh
You could have died now, oooh
The music's gone now
You lost it somehow
Hey you, hey you, sha lalala
Hey you, sha lalala
Wooo, sha la la
Wooo, sha la la

Sha lalala, hey you, hey you, hey you
Sha lalala, ba-ba-ba-baby's stupid (?)
Sha lalala, no time, no time left, no time
Sha lalala, don't let me down, don't let me down
