

I'm in Love

Bachman-Turner Overdrive

1,2,3
Walked in thru the brass door
Of an unassuming bar
Bought a drink, mixed around
Same routine so far
I saw her, she saw me
Then she smiled openly
I sat too long
The chance was gone
But she didn't wait
Saw me hesitate
She drew right in

I'm in love, I'm in love
I'm in love, I'm in love

Said she'd seen to many
Mixed up scenes before
To ever think of love
Til tonight, you walked in
I saw you, you saw me
You got those things I've never seen
Said she knew I'd take all night to make a move
She had more in sight than being polite
I said, me too

I'm in love, I'm in love
I'm in love, I'm in love

Oh baby what'cha do to me
Everything feels alright
I never knew it could be this way
Til we got lucky that night
I'm in you, you're in me
Just one thought, just one need
Then I knew what it was I had to do
Cause it came to me
That all I need in life, is you

I'm in love, I'm in love
I'm in love, I'm in love
Love
I'm in love, I'm in love
Love
I'm in love
