

# All Of Your Life (You Need Love)

Backstreet Boys

Hey  
Yeah, yeah  
I wanna know  
Can we spend this life together  
Be the shield from rain and weather  
Tell me can I  
Baby tell me can I be your man

Let's be lovers (be lovers)  
Girl I promise to be faithful  
True and honest forever  
I know you been hurt  
But you really need to give us a chance  
Cuz...

You need love  
Please don't change the way you are  
Soon you'll live within my heart  
You deserve it, you know it  
You've been searching for it all of your life  
You need love  
Don't be scared to try again  
You can rest upon my chest  
And I'll hold you, I'll save you  
You've been searching for it all of your life  
You need love (you need love)

I need to know  
Can I be the one you trust  
Be your friend I'll give you all  
All of the things you dream of  
Tell me can I be your man

Heal your heart  
There's a wound I wanna heal  
If you need me I'll be here  
Here to fix what broke  
Let me change the life you live

You need love  
Please don't change the way you are  
Soon you'll live within my heart  
You deserve it, you know it  
You've been searching for it all of your life  
You need love  
Don't be scared to try again  
You can rest upon my chest  
And I'll hold you, I'll save you
