

# As Long As You Love Me

Backstreet Boys

1. All the loneliness has always been a friend of mine  
I'm leaving my life in your hands  
People say I'm crazy and that I am blind  
Risking it all in a glance

2. How you got me blind is still a mystery  
I can't get you out of my head  
Don't care what is written in your history  
as long as you're here with me

R: I don't care who you are, where you're from  
What you did, as long as you love me  
Who you are, where you're from,  
Don't care what you did as long as you love me

3. Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be

R: I don't care who you are...

I try to hide it so that no one knows  
But I guess it shows when you look into my eyes  
What you did and where you're coming from (I don't care)  
as long as you love me

R: I don't care who you are... (2x)
