Crawling Back To You

Backstreet Boys

Everybody knows that I was such a fool to ever let go of you Baby I was wrong Yeah I know I said we'd be better off alone It was time that we moved on I know I broke your heart, I didn't mean to break your heart But baby here I am

Banging on your front door My pride spilled on the floor My hands and knees are bruised and I'm crawling back to you Begging for a second chance Are you gonna let me in? I was running from the truth and now I'm crawling back to you

I know you're in there and you can make me wait But I'm not gonna wait It's the least that I can do, just to tell you face to face I was lying to myself, now I'm dying in this hell Girl I know you're mad, I can't blame you for being mad But baby here I am

Banging on your front door My pride spilled on the floor My hands and knees are bruised and now I'm crawling back to you Begging for a second chance Are you gonna let me in? I was running from the truth and now I'm crawling back to you

If you could see these tears I'm crying Touch these hands that can't stop shaking Hear my heart that's barely beating You will see a different man

But baby here I am Banging on your front door My pride spilled on the floor My hands and knees are bruised and I'm crawling back to you (come on) Begging for a second chance Are you gonna let me in? (let me in) I was running from the truth, now I'm crawling back to you

Banging on your front door (darling) My pride spilled on the floor I was running from the truth, now I'm crawling back to you, yeah Now I'm crawling back to you Crawling back to you Crawling back to you Crawling back to you
