Do you really want to be the last to know
what it's all about
Let's talk about who you say
Is the essence of your life
But he'll eat you up from inside slow
And then he doesn't wanna know
I'm tellin you he'll eat you up from inside
And then he doesn't wanna know

Listen, I mean it
There's nothing that he's worthy of
He's just another playa',
Playin in the name of love
I've seen enough, now this must come to an end
Get another Boyfriend

Let's talk about what,
He's done to become your number one
Or was it all the promises of diamonds,
pearls and party dresses that turned you on
I've seen it before (Don't take!)

You're through for sure
Just go get on with your life STOP!
Acting like you're giving up
I'm telling you, go get on with your life
Stop acting like you're givin up

Listen, I mean it
There's nothing that he's worthy of
He's just another playa',
Playin in the name of love
