

## How Did I Fall In Love With You?

Backstreet Boys

Remember when we never needed each other  
The best of friends like sister and brother  
We understood we'd never be alone

Those days are gone; now I want you so much  
The night is long and I need your touch  
Don't know what to say  
Never meant to feel this way  
Don't wanna be alone tonight

What can I do to make you mine?  
Fallen so hard so fast this time  
What did I say? What did you do?  
How did I fall in love with you?

I hear your voice and I start to tremble  
Brings back the child that I resemble  
I cannot pretend that we can still be friends  
Don't wanna be alone tonight

What can I do to make you mine?  
Fallen so hard so fast this time  
What did I say? What did you do?  
How did I fall in love with you?

I wanna say this right and it has to be tonight  
Just need you to know  
I don't wanna live this life  
I don't wanna say goodbye  
With you I wanna spend the rest of my life

What can I do to make you mine?  
Fallen so hard so fast this time  
What did I say? What did you do?  
How did I fall in love with you?

What can I do to make you mine?  
Fallen so hard so fast this time?  
Everything's changed, we never knew  
How did I fall in love with you?
