I Need You Tonight

Backstreet Boys

Open up your heart to me And say what's on your mind, oh yes I know that we have been through so much pain But I still need you in my life this time

And I need you tonight I need you right now I know deep within my heart It doesn't matter if it's wrong or right I really need you tonight

I figured out what to say to you But sometimes the words they, they come out so wrong, always th ey do And I know in time that you will understand That what we have is so right this time

And I need you tonight I need you right now I know deep within my heart It doesn't matter if it's wrong or right

All those endless times we tried to make it last forever more And baby I know I need you I know deep within my heart It doesn't matter if it's wrong or right I really need you, oh

I need you tonight (I need you, oh I need you baby) I need you right now (It's gotta be this, it's gotta be this) I know deep within my heart No, it doesn't matter if it's wrong or it's right All I know is baby I really need you tonight
