

# Just Want You To Know

Backstreet Boys

1. Looking at your picture from when we first met  
You gave me a smile that I could never forget  
And nothing I could do could protect me from you that night
2. Wrapped around your finger, always on my mind  
The days would blend 'cause we stayed up all night  
Yeah, you and I were everything, everything to me

R: I just want you to know that I've been fighting to let you go  
Some days I make it through and then there's nights that never end  
I wish that I could believe that there's a day you'll come back to me  
But still I have to say I would do it all again  
Just want you to know

3. All the doors are closing I'm tryin' to move ahead  
And deep inside I wish it's me instead  
My dreams are empty from the day, the day you slipped away

R: I just want you to know...

Just want you to know That since I lost you, I lost myself  
No I can't fake it, there's no one else

R: I just want you to know ... (2x)
