

# My Beautiful Woman

Backstreet Boys

Oh no no baby  
Ohhhh  
Yeah

How can I begin to  
Tell you what you do to  
Me everytime I hear ya  
More willing to wanna see ya  
I know that there's no use in  
Trying to explain my confusion  
But still I'm not complaining  
'Bout my situation

Let's not talk about a possible ending

The very first time that I  
Was thinking of being your fella  
I found my inspiration  
Hiding in your expression  
And so I put myself forward  
For your consideration  
Yeah yeah yeah oh

Let's not talk about a possible ending  
Let's not think about it everyday  
And I know I'm so  
In love with you  
I'm finding it harder and harder to breathe everytime we're here  
My beautiful woman

Yeah

And so I put the top down  
To take you driving downtown  
I guess we'll know just what to  
Do when you're looking to fool around  
It's too late to stop me  
I know we're gonna get down  
Get down, oh no no no

Let's not talk about a possible ending (baby)  
Let's not think about it everyday (ohh)  
And I know (I know) I'm so (I'm so)  
In love (In love) with you (with you baby)  
I'm finding it harder and harder to breathe everytime we're here  
My beautiful woman (my beautiful woman)  
My beautiful woman (yes you are, yes you are, yes you are)
