

# Not For Me

Backstreet Boys

I was looking for something  
On the crime scene where you're in too deep  
I found a note with this number  
It's just another clue(it leads to you)  
I got a little suspicious, I got a feeling  
That you ain't true to me  
I should have known better than to buy your lies

You can fool anyone but I got eyes to see  
That you're not for me, babe

No No Uh uh  
Things will never be the same again with you  
No No Uh uh  
Now I know what it's coming to  
No No Uh uh  
Cause if you think that it's the way that love, should be  
Let me tell you it's not for me

I don't want to be on, your screenplay  
Just tell me did you rehearse on me?  
I'll give you the story  
Baby, whose to win? Me or him?  
Caught in the middle  
And I'm tired of your games of Hide and Seek  
I'm getting the feeling that it's time for me to leave

You can fool anyone but I got eyes to see  
That you're not for me, baby

No No Uh uh (yeah yeah)  
Things will never be the same again with you  
No No Uh uh(Oh)  
Now I know what it's coming to  
No No Uh uh (yeah-eah)  
Cause if you think that it's the way that love, should be  
Let me tell you it's not for me

Yeah, yeah  
I said no, no  
No way  
No no, No no  
No

I had enough of your talk, your games  
And it won't go away (won't go away)  
Justify my reasons to stay ( stay, reasons to stay)

No no uh uh  
Let me hear you say No no  
No no uh uh  
No no, let me tell you it's not for me  
No no uh uh  
Cause if you think that it's the way that love should be  
Well let me tell you it's not for me

No No Uh uh (whoo)

Things will never be the same again with you  
No No Uh uh (baby)  
Now I know what it's coming to  
No No Uh uh (yeah-eah)  
Cause if you think that it's the way that love, should be  
  
Well me tell you it's not for me
