Backstreet Boys

Intimate scenes fresh from my dreams
Over a triple-X movie screen
I couldn't care less about being seen
Higher self-esteem if you on me
I say baby, do you think?
Sugar so sweet should rot my teeth
But instead it just rots me

Spoiled crazy
I said public display of affection
(Gotta make 'em)
Pointing in our direction
(Watch 'em, watch 'em)
Public display of affection
Makes them wish they had it this way

We'd be at the club, the restaurant, the grocery store or the movies
Kissin and touchin with my hands all over your booty
Wherever it is, we is, I love it truly
Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)

Remember at the beach we brought the sheets
We were harassed by police
Good thing we didn't go too deep
Everywhere we be the passion in me just screams
I just need you in my reach
Baby your suspense can be intense
It's got me convinced (oh yeah)
You're the fingers to my instrument

Public display of affection
(Gotta make 'em)
Pointing in our direction
(Watch 'em, watch 'em)
Public display of affection
Makes them wish they had it this way

We'd be at the club, the restaurant, the grocery store or the movies
Kissin and touchin with my hands all over your booty
Wherever it is, we is, I love it truly
Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)

Your PDA-A-A
Your PDA-A-A
(I want your PDA)

From the lobby to the patio

And we so compatible
From the Starbucks to the Navajo
And we so compatible

We'd be at the club, the restaurant, the grocery store or the movies
Kissin and touchin with my hands all over your booty
Wherever it is, we is, I love it truly

Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)
Your PDA-A-A
(I want your PDA)

Your PDA-A-A
Your PDA-A-A
(I want your PDA)

I wanna run
(I want your PDA)
All over your body
(I want your PDA)
I wanna run
(I want your PDA)
All over your body
(I want your PDA)

I want your PDA
Public display of affection
Hmm, I want your PDA
