

Sick As My Secrets

Backstreet Boys

I'm so sorry
That I called you
I'm trying to pick up
The pieces of my life
I forgot that we were over
Tell me what went wrong
Wrong, wrong, wrong
Twelve days, four hours, twenty minutes
I'm stuck and you know you've got me in it
Broken glass on the floor from the picture frame
Shame, shame, shame
We had it all
This love so strong
Now everything
We had is gone
If you could read my mind
You'd know I've crossed that line

Cos I'm as sick as my secrets
Yeah, it's killing me
You know that I mean it
I need you next to me
There's nowhere to run
Girl I can't let you go
And it's twisted I know
But I just can't take it no more

Six miles, twelve lights till your front door
I'm on my way just like I have so many times before
Does he know that it's me you've been talking to?
Shame, shame, shame

If you could read my mind
I'm gonna fight to get you back this time

Cos I'm as sick as my secrets
Yeah, it's killing me
You know that I mean it
I need you next to me
There's nowhere to run
Girl I can't let you go
And it's twisted I know
But I just can't take it no more

I'm tired of all these lies
There's nothing but regret behind these eyes
All this love I could never show
I don't care any more
Give a damn who knows

Cos I'm as sick as my secrets
Yeah, it's killing me
You know that I mean it
I need you back with me
There's nowhere to run
Girl I can't let you go
And it's twisting my soul

But I just can't take it no more

Sick as my secrets
Yeah, it's killing me
You know that I mean it
I need you next to me
There's nowhere to run (nowhere to run)
Girl I can't let you go (nowhere to hide)
And it's twisted I know
But I just can't take it no more

Yeah, I just can't leave you alone
Yeah, yeah
Tired of all the lies
Oh babe you've got me stripped of my pride
Gonna shout it from a mountain top
Yeah, drain the oceans from the tears we've cried
Gonna break down these walls
Gonna stand tall
Gonna
