

# Spanish Eyes

Backstreet Boys

Here we are  
In the arms of one another  
And we still go on searching for each other  
Knowing that hate is wrong  
And love is right  
For us tonight  
When I look into your Spanish eyes  
I know the reason why I am alive  
And the world is so beautiful tonight

It's a place I've never been  
And it comes from deep within  
And it's telling me  
That I'm about to win first prize  
Knowing all I have to do  
Is reach out my hand to you  
Anytime I want to look into your Spanish eyes

Let it be if we're nothing more than dreamers  
Who believe that we see no one between us  
How can they be in my heart  
And in my mind  
When all I can find  
When I look into your Spanish eyes  
I know the reason why I am alive  
And the world is so beautiful tonight

It's a place I've never been  
And it comes from deep within  
And it's telling me  
That I'm about to win first prize  
Knowing all I have to do  
Is reach out my hand to you  
Anytime I want to look into your Spanish eyes

I loved you from a distance  
Thought I couldn't reach that far  
I can't believe how close that we are  
When I look into your Spanish eyes  
And the world is so beautiful tonight

It's a place I've never been  
And it comes from deep within  
And it's telling me  
That I'm about to win first prize  
Knowing all I have to do  
Is reach out my hand to you  
Anytime I want to look into your Spanish eyes
