

# Straight Through My Heart

Backstreet Boys

In the heart  
Of the night  
Where it's dark  
In the lights  
I heard the loudest noise  
A gunshot on the floor  
Ohhhh Ohhhhh

I looked down  
And my shirts turning red  
I'm spinning around  
Felt her lips on my neck  
And her voice in my ear  
Like I missed you  
Want you tonight

Straight through my heart  
A single bullet got me  
I can't stop the bleeding  
Ohhhh  
Straight through my heart  
She aimed and she shot me  
I just can't believe it  
Ohhhh  
No I can't resist  
And I can't be hit  
I just can't escape this love  
Straight through my heart  
Soldier down (my heart)  
Soldier down (my heart)

Thought I moved  
More than on  
Thought I could  
Fool her charm  
I really wanna go  
But I can't leave her alone  
Ohhhh ohhhh

Hear the sound  
Of a love so loud  
I just can't, I just can't  
Ignore this feeling  
Said she misses me  
And she wants me  
Wants me tonight

Straight through my heart  
A single bullet got me  
I can't stop the bleeding  
Ohhhh  
Straight through my heart  
She aimed and she shot me  
I just can't believe it  
Ohhhh  
No I can't resist  
And I can't be hit

I just can't escape this love  
Straight through my heart  
Soldier down (my heart)  
Soldier down (my heart)

In the heart  
Of the night  
When it's dark  
In the lights  
I heard the loudest noise  
A gunshot on the floor  
Ohhhh Ohhhh

Straight through my heart  
A single bullet got me  
I can't stop the bleeding  
Ohhhh  
Straight through my heart  
She aimed and she shot me  
I just can't believe it  
Ohhhh  
No I can't resist  
And I can't be hit  
I just can't escape this love  
Straight through my heart  
Soldier down (my heart)  
Soldier down (my heart)
