

That's the Way I Like It

Backstreet Boys

Hey yeah

That's the way I like it

Somebody told me that you're not my kind
So have I lost my mind?
You keep on doing all the things I like
You've got me hypnotized
But that's the way I like it

Girl you make me wanna move
It's the price I got to pay
For all the things you do
But I like it
Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it

Everybody now
I like it
Everybody now
That's the way I like it
Everybody come on
I like it
Everybody come on
That's the way I like it

Oh mystery lady, you've got somethin' I like
Tell me you're here to stay (ooh yeah)
You're dangerous, oh baby
Could you do me right?
Will you come out to play?
Cuz that's the way I like it

Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it

Everybody now
I like it
Everybody now
That's the way I like it
Everybody come on
I like it
Everybody come on
That's the way I like it

Everybody come on
I like it
Everybody come on

Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it

Hey yeah

That's the way that I like it, that is the way I like it
That's the way that I like it, that is the way I like it
That's the way that I like it, that is the way I like it
Everybody now, everybody now
That's the way that I like it, that is the way I like it
Everybody come on, everybody come on
That's the way I like it
That's the way that I like it, that is the way I like it
Everybody now, everybody now
That's the way I like it
That's the way that I like it, that is the way I like it
Everybody come on, everybody come on
That's the way I like it
