

# The Answer To Our Life

Backstreet Boys

You see me sitting here, a smile upon my face  
The time has come but you know that it's not too late  
There's been too many things, together we have seen  
It's not that hard if we start to believe  
And we're not gonna take anymore  
Can we try to erase all the pain  
So please

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life

This world is not at ease, we seem to hide the truth  
Thinking there's only so much we can really do  
It's up to you and me, to face our destiny  
The jury's here so let's take the stand  
And we're not gonna take anymore  
Can we try to erase all the pain  
So Please

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life

Tell me why we have to cry  
And not try  
When there's so many things we can do  
To help this troubled world start a new

I need a reason, I need a sign  
There's no turning back I'm here by your side  
Is it today or maybe tonight?  
We'll find  
The answer to our life  
Show me the way, give me a sign  
Tell me the way we fall out of line  
Is it today, is it tonight  
The answer to our life

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We will find, the answer to our life

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life
