

The Call

Backstreet Boys

1. Let me tell you the story about the call that changed my destiny
Me and my boys went out, just to end up in misery
I was about to go home and there she was standing in front of me
And I, I got a little place nearby
I wanna go, I should have said no
Someone's waiting for me

But I'm gonna go up and see

R: Listen Baby I'm sorry
Just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're drying out my battery it's low
So you know we're goin to a place nearby
I gotta go

2. Now till it's done nothing's been won
I can't take it back what's done is done
One of her friends found out
That she wasn't the only one
And it eats me from inside, that she's not by my side
Just because I made that call and lied

R: Listen Baby I'm sorry...

3. Let me tell you the story about the call that changed my destiny
