

# The Perfect Fan

Backstreet Boys

It takes a lot to know what is love  
It's not the big things but the little things  
That can mean enough  
A lot of prayers to get me through  
And there is never a day that passes by  
I don't think of you  
You were always there for me  
Pushing me and guiding me  
Always to succeed

You showed me  
When I was young just how to grow  
You showed me everything that I should know  
You showed me just how to walk without your hands  
'Cause, mom, you always were the perfect fan

God has been so good  
Blessing me with the family  
Who did all they could  
And I've had many years of Grace  
And it flatters me when I see a smile on your face  
I wanna thank you for what you've done  
In hopes I can give back to you  
And be the perfect son

You showed me  
When I was young just how to grow  
You showed me everything that I should know  
You showed me just how to walk without your hands  
'Cause, mom, you always were the perfect fan

You showed me how to love  
You showed me how to care  
And showed me that you would always be there  
I wanna thank you for the time  
And I'm proud to say you're mine

You showed me  
When I was young just how to grow  
You showed me everything that I should know  
You showed me just how to walk without your hands  
'Cause mom you always were the perfect fan

'Cause, Mom, you always were,  
Mom, you always were,  
Mom, you always were,  
You know you always were,  
'Cause, Mom, you always were  
...the perfect fan

I Love You, Mom
