

Ex-Files

Backyard Babies

I'm warm when I'm cold
I'm cold when I'm warm
And nothing seems to be alright
I'm down on my knees
And I'm easy to please you
When I'm think 'bout what I did last night

When you told me to share
And ran your fingers to my hair
Infinity? Yes I do!
But when I cry in your arms
Or dress up in my charm
I'm not the one sayin "I love you"

Yeah life is a bomb
And it hits so hard
It will bring out the tears from my eyes
Yeah love is a drag
Yes it can be that bad
When at the end of the rope is your dad

I'm the one who loved you
I'm the one who left you behind
Fedex my lying
Ex-file and access denid

You put me up on stand
And read the palm of my hand
What makes you think you know what I've
been throught?
All the phonies and the gold
Are you scared og gettin' old?
Welcome to planet fuckin' deja-vu

Yeah life is a bomb
And it hits so hard
It will bring out the tears from my eyes
Weah love is a drag
Yes it can be that bad
When at the end of the rope is your dad

I'm the one who loved you
I'm the one who left you behind
Fedex my lying
Ex-file and access denid

I'm the one
I'm the one
I'm the one
I'm the one

I'm the one who loved you
I'm the one who left you behind
Fedex my lying
Ex-file and access denid

I'm the one who loved you

I'm the one who left you behind
Fedex my lying
Ex-file and access denied
