

Highlights

Backyard Babies

I saw red, i saw green,
i think i saw what
the whole world's seen.
Gotta get away (2x)
'Cause i know that
nothing last forever
in my dreams but there's
a highlight let me be

I need a kick, you need a fix
We are livin' on
borrowed time
Generation breakdown
destination hellbound
But i know nothin' last forever

Hallucinating!
Stuck together!
There's a highlight
let me be

Only you and me

It will blow me away
I will never forget
It took a piece of my soul
One day i will burn my hand
and i'll be resurrected
in the promised land
Among the gods
i feel power an joy
I made my choice but nothin' will last forever
in my dreams there's a highlight let me be
Don't let me out
Nothin' will last forever
Hallucinating!
Stuck together! There's a highlight
can't you see?

Only you and me
Nothin' will last forever
in my dreams there's a highlight let me be
