

I Got Spades

Backyard Babies

I walk in the rain and the street seems to last forever
All I've ever seen got taught to believe is insane
And now it's too late I hang on to a fading memory
Nothing would be like what I thought it would be like that I hate

I got spades

Diamonds made me heartbroken always leave when clubs open
Someone's got a hold all the spades

I drag and I haul but you couldn't care less about me
I'd rather hang out with the dogs in the yard than be a brick in the wall

YEAH

I walk in the rain and there's another one around the corner
Names they change but the faces remain the same

I got spades

Diamonds made me heartbroken always leave when clubs open
Someone's got a hold all the spades
And diamonds are forever meet and get together
Someone's got a hold all the spades

Diamonds made me heartbroken always leave when clubs open
Someone's got a hold all the spades
And diamonds are forever meet and get together
Someone's got a hold all the spades

You made me heartbroken always when the clubs open
Someone's got a hold all the spades
And diamonds are forever meet and get together
Someone's got a hold all the spades
