

## Robber Of Life

Backyard Babies

I've been here, been there  
I've been every God damn where  
You're a robber of life  
And if you were a woman would you be my wife

I'm no loser in the end  
Don't tell me that you understand  
'cause everything is just a frame  
Come on

I'm no sucker you can bend  
I've got a rendezvous in hell  
Life for me is just a game  
Where everybody's crazy!

I know that jesus was a fool  
Maybe he was kinda wool  
But I don't know what to do no more  
When everybody's crazy

I've been here, been there  
I've been every motherfuckin' where  
You're a robber of life  
And if you were a woman you would be my wife, I swear

Tonight you wanna do some  
Tonight you wanna be one  
One of `em guys who sold their souls  
For the rock n' roll remote control  
You switch your channel and do what you're told  
I can't lie, I won't cry  
But maybe i'll meet him before I die  
Too soon it's too late, man  
Am I angel or concrete hate?  
But I got horns and I got wings  
But I won't fly until my angel sings for me  
They say fly, they sing  
They say die, I say why?  
But I won't let `em in the ring  
It's gonna take some time `til my angel sings
