

# Strange Kind of Attitude

## Backyard Babies

I feel something runnin' through my veins  
And it feels like I'm goin' quite insane  
And I can't find the cure anymore

'Cause she wouldn't love me  
Too young and I was too drunk  
And I always been talkin' talkin'  
Praying like a dog in the rain  
Like a dog in the rain

She said, you wanna ride with me  
With a Jack in my hand, baby  
I'm gonna sit outside your door  
And try to understand

'Cause you got a strange kind of attitude  
Don't you see that I miss you too  
What the hell am I gonna do with a girl like you  
With a girl like you

What can I do  
When I saw you walkin' with another man  
All I can walk with now is my bottle, hand in hand

And don't try to tell me  
Stories that I've already been told  
Doin' alright, baby  
Just a drunk like me on my own  
On my own

She said, you wanna ride with me  
With a Jack in my hand, maybe  
I'm gonna sit outside your door  
And try to understand

'Cause you got a strange kind of attitude  
Don't you see that I miss you too  
What the hell am I gonna do with a girl like you  
With a girl like you

I was out walkin' one lonely night  
And the rain was pouring down her cheeks  
She said to me, honey, love is like a smoke  
And it always disappears

Don't try to run  
And don't try to cry  
And don't try to throw my bottle away  
'Cause I don't know how to love someone  
But I think I can find my way

She said, you wanna ride with me  
With a Jack in my hand, maybe  
I'm gonna sit outside your door  
And try to understand

'Cause you got a strange kind of attitude

Don't you see that I miss you too  
What the hell am I gonna do with a girl like you

'Cause you got a strange kind of attitude  
Don't you see that I miss you too  
What the hell am I gonna do with a girl like you  
With a bitch like you  
With a girl like you  
Baby, I can find my way
