

I'm With You

Bad Azz

I'm standin on the bridge
I'm waitin in the dark
I thought that you'd be here, by now

There's nothin but the rain
No footsteps on the ground
I'm listening but there's, no sound

Isn't anyone trying to find me?
Won't somebody come take me home?

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand take me somewhere new
Don't know who you are but I, I'm with you
I'm with you

I'm looking for a place
I'm searchin for a face
Is anybody here, I know?

Cuz nothin's going right
And everything's a mess
And no one likes to be alone

How come everything's so confusing?
Maybe I'm just out of my mind?
