

## Deep In My Emotion

Bad Boys Blue

Your love is like an ocean  
So deep and stormy like the sea  
And we are sailing on so free  
The love that means devotion  
So full of life and ecstasy  
The love is huge and it's meager  
Deep in my emotion  
Deep inside my heart I know  
I want you forever  
Deep in my emotion  
I can never let you go, oh no no  
Deep in my emotion  
I'm forever close to you, ooh, ooh  
Girl, love is never easy  
There will be hurt and sometimes pain  
But then you'll see the sun again  
Girl, love is meant forever  
It makes you feel you got a home  
That you are no longer alone  
Deep in my emotion  
Deep inside my heart I know  
I want you forever  
Deep in my emotion  
I can never let you go, oh no no  
Deep in my emotion  
I'm forever close to you, ooh, ooh  
Deep in my emotion  
Deep inside my heart I know  
I want you forever  
Deep in my emotion  
I can never let you go, oh no no  
Deep in my emotion  
I'm forever close to you, ooh, ooh  
Deep in my emotion  
Deep inside my heart I know  
Deep in my emotion  
I can never let you go, oh no no  
Deep in my emotion  
I'm forever close to you, ooh, ooh  
Deep in my emotion...
