

## Don't Be So Shy

Bad Boys Blue

It's now or never. Too late or forever.  
You can love me or you can leave me.  
Take my heart or you'll deceive me.  
Come rain or sunshine. For now's the right time.  
Show me the feelings. What's inside you.  
Open your heart and love will shine through.

I've just got to get in touch with you. I don't know what to do  
. .  
I think about it everyday now.  
Don't be so shy.  
Give me a sign and let's get closer now.  
I wanna make my dream come true.  
Don't be so shy.  
Give me a sign so let's get closer now.  
I wanna hold you. I wanna hold you tight.

The good and bad days. The right or wrong ways.  
Love has come and now it's gone.  
Take my heart or you'll deceive me.

I've just got to get in touch with you. I don't know what to do  
. .  
I think about it everyday now.  
Don't be so shy.  
Give me a sign and let's get closer now.  
I wanna make my dream come true.  
Don't be so shy.  
Give me a sign so let's get closer now.  
I wanna hold you. I wanna hold you tight.
