

# Don't Break the Heart

Bad Boys Blue

Don't break the heart that loves you,  
Don't let the good times that your way.  
Don't break the heart that loves you,  
'Cause you're I need this time away.

Don't break the heart that loves you, handle it with care  
Don't break the heart that needs you, darlin', please be fair  
Why do you flirt and constantly hurt me  
Why do you treat our love so carelessly?

You know I'm jealous of you and yet you seem to try  
To go out of your way to be unkind  
Sweetheart, I'm begging of you don't break this heart that love  
s you  
Don't break this heart of mine.
