

I Do It All For You, Baby

Bad Boys Blue

Just imagine we're on a highway
The sunset right in our eyes
You're on the back seat of my motorbike
Babe
And you're holding on tight
You can get it
If you really want
You can get it
It's all up to you

I do it all for you, baby
I do it all for you, baby
I do it all for you, baby
Everything just for you

Lying down by the ocean shore bay
Beneath the fire lights
Magic colors and waves of roses
Fly on the wings of a kite
You can get it
If you really want
You can get it
It's all up to you

I do it all for you, baby
I do it all for you, baby
I do it all for you, baby
Everything just for you.
