

# I Don't Wanna Lose You

Bad Boys Blue

Some of your girlfriends. I know they are telling lies.  
They're talking about us with jealousy in their eyes.  
Don't listen to what they may say. Rumors are bad enough.  
The rumors are made to destroy and to kill our love.

So give me back my heaven.  
I don't wanna lose you.  
I don't lose no more my love.  
So give me back my heaven.  
I don't wanna lose you.  
So don't throw my love away.

You're looking so blue girl. Why do you believe their lies?  
My love is in danger. I read it inside your eyes.  
So how can I make you believe what I am telling you?  
I love you with all of my heart. And my love is true.

So give me back my heaven.  
I don't wanna lose you.  
I don't lose no more my love.  
So give me back my heaven.  
I don't wanna lose you.  
So don't throw my love away.
