

I'll Be Around

Bad Boys Blue

I'll be around. I'll be around.
I'll be around.
Around. Around. Around. Around.
I'll be around.
And Around. And Around.

Open my eyes from a dream.
I can swear the phone was ringing.
But it was all in my sleep.
Just another lonely warning.

I'll be around.
Whenever you want - whenever you call my name.
I'll be around, around and around to call up.
You never have to explain.
I'll be around.
Around. Around. Around. Around.
I'll be around and around and around,
and around and around.

I was inside of a dream.
And I've heard you were returning.
But now I know that you won't.
I'll keep living without learning.

I'll be around.
Whenever you want - whenever you call my name.
I'll be around, around and around to call up.
You never have to explain.
I'll be around.
Around. Around. Around. Around.
I'll be around and around and around,
and around and around.
