

I'm Living For Your Love

Bad Boys Blue

I'm still the prisoner of your heart. I know that we will never part.

Even if Heaven turns to Hell.

I fall asleep within your dreams. Though love is never what it seems.

It's simply more than words can tell.

I'm living for your love, living till I die.

You make me laugh and make me cry.

I'm living how I live giving all I give.

Baby, you're always on my mind.

I'm living for your love, oh, baby, it's true.

I'm living for you.

I think of you most every night. And I can feel it deep inside.

I need your loving to survive.

You take my soul to no man's land. We'll walk forever hand in hand.

You are the best part of my life.

I'm living for your love, living till I die.

You make me laugh and make me cry.

I'm living how I live giving all I give.

Baby, you're always on my mind.

I'm living for your love, oh, baby, it's true.

I'm living for you.
