

# I'm Your Lover

Bad Boys Blue

Baby we're riding a highway. Leading into the dark.  
And if we keep doing it my way. We'll do it heart by heart.

You are the only one I need. Baby believe me I won't cheat.  
I need you more than I can say.

I'm your lover my heart's not faking.  
Baby the chain of emotion's not breaking.  
Cause I'm your lover and you're my lady.  
Love will survive to the end of our life.  
I'm your lover. I'm your lover.

Let's put our passion together. I wanna touch your skin.  
And if I can't hold you forever. At least my heart will win.

I know I was born to be with you. and what we feel's forever true.  
I want you more than I can say.

I'm your lover my heart's not faking.  
Baby the chain of emotion's not breaking.  
Cause I'm your lover and you're my lady.  
Love will survive to the end of our life.  
I'm your lover. I'm your lover.

Baby it feels so good to hold you in my arms.  
I'm never gonna let you go because I will always love you.

I'm your lover my heart's not faking.  
Baby the chain of emotion's not breaking.  
Cause I'm your lover and you're my lady.  
Love will survive to the end of our life.  
I'm your lover. I'm your lover.
