

# Love Me Or Leave Me

Bad Boys Blue

I see a lonesome road that leads my love away from you.  
I see a distant line of beats.  
It turns my soul to blue.  
Don't keep me waiting all these nights make up your mind.

So love me or leave me.  
Love me or leave me all alone.  
Look inside your heart tonight.  
Tell me what you see.  
Love me or leave me.  
Love me or leave me all alone.  
Shadows of the past go by.  
Shadows gonna die.

You let your heart run where it wanted to and I feel scared.  
The more you take me high you push me down and I get hurt.  
Before the heavens gonna burn. You need to know.

So love me or leave me.  
Love me or leave me all alone.  
Look inside your heart tonight.  
Tell me what you see.  
Love me or leave me.  
Love me or leave me all alone.  
Shadows of the past go by.  
Shadows gonna die.

As I look into your eyes.  
I see that love is just a game.  
For everytime our lips touch.  
There is just a bit of feeling.  
No love. No pain.

So love me or leave me.  
Love me or leave me all alone.  
Look inside your heart tonight.  
Tell me what you see.  
Love me or leave me.  
Love me or leave me all alone.  
Shadows of the past go by.  
Shadows gonna die.
