

# Say You'll Be Mine

Bad Boys Blue

That special feeling you get inside.  
When you stand face to face looking eye to eye.  
And you feel your emotions growing strong.  
Knowing this is where you belong.  
And your heart beats faster, loud and hard.  
I know you wanna be my girl.

I wanna be groovin' on a natural high.  
I wanna be movin'. Let my feelings fly.  
I wanna be groovin' being closer to you.  
Just feeling fine.

I've been waiting for a long long time.  
For some sweet love I could call all mine.  
It's just so hard to be all alone.  
No one to squeeze or call my own.  
Please say you'll be mine. Let's do it together.  
Please say you'll be mine. Let's do it together.

Now we're living up baby. Now we're living up.  
I'll turn the whole world upside down.  
If that's what it takes to keep you around.  
This isn't a dream. I know it's real.  
Tell me that you'll be my girl.

I've been waiting for a long long time.  
For some sweet love I could call all mine.  
It's just so hard to be all alone.  
No one to squeeze or call my own.  
Please say you'll be mine. Let's do it together.  
Please say you'll be mine. Let's do it together.
